Chemical Determination	Test Method	Cost (PhP)
Total Nitrogen (N)	Kjeldahl	300
Total Phosphorus (P_2O_5)	Vanadomolybdophosphoric Acid Colorimetric	300
Total Potassium (K_2O)	Flame Atomic Emission Spectroscopy	250
Total Calcium Oxide (CaO)	Atomic Absorption Spectroscopy	250
Total Magnesium Oxide (MgO)		250
pH	Potentiometric	100
Moisture Content (MC) *For solid samples*	Evaporation/Gravimetric	100
Organic Carbon (OC) *For organic fertilizer*	Walkley-Black	250
Organic Matter (OM)		250
Sodium (Na)	Flame Atomic Emission Spectroscopy	250
Zinc (Zn)	Atomic Absorption Spectroscopy	160
Copper (Cu)		160
Manganese (Mn)		160
Iron (Fe)		160
Available Phosphorus (Avail P_2O_5) *For Guano and Rock Phosphate*	Vanadomolybdophosphoric Acid Colorimetric	300
Sulfur (S) *For Inorganic samples only*	Gravimetric	300
Chloride (Cl)	Titration—Mohr	250
Calcium Carbonate ($CaCO_3$) *For lime samples only*	Titration	500
TOTAL		**4,290**

Microbial Population Count	Test Method	Cost (PhP)
Bacteria	Plate Count	250
Fungi	Plate Count	250
TOTAL		**500**

Terms and Conditions:

1. Test report shall not be reproduced except in full, without the written approval and authorization of Laboratory Services Division (LSD) Management.
2. Test reports retention is active for one (1) year and archive for four (4) years.
3. Customer agrees not to use report or data in a manner that may destroy the reputation or service of BSWM-LSD.
4. BSWM-LSD is not responsible for samples that are not accepted because of improper collection, preservation, handling or storage of the samples.
5. Customer has the responsibility to label and provide adequate amount of samples, sufficient information and documents.
6. The laboratory shall be responsible, through legally enforceable commitments, for the management of all information obtained or created during the performance of laboratory activities. The laboratory shall inform the customer in advance, of the information it intends to place in the public domain. Except for information that the customer makes publicly available, or when agreed between the laboratory and the customer (e.g. for the purpose of responding to complaints), all other information is considered proprietary information and shall be regarded as confidential.
7. When the laboratory is required by law or authorized by contractual arrangements to release confidential information, the customer or individual concerned shall, unless prohibited by law, be notified of the information provided.
8. Customer will pay in full or at least 50% of the standard fees for the services upon submission of samples.
9. BSWM-LSD may withhold the release of the report if the customer fails to pay the fees.
10. Customer will be notified for any deviation from the contract at least three (3) times. If the customer failed to reply, it is assumed that the customer conforms with the deviations made.
11. Sample retention is 6 months from the date of release of test result.
12. For customers requesting electronic copy of test results, the Customer Center shall send the test result in PDF format to the customer's specified email address and customer must acknowledge receipt.

This is to certify that I have reviewed the form, confirm its accuracy, and accept the Terms and Conditions, Test Method, Cost and Agreed Date of Release of Results.
